Take two slices of white bread. Get butter and strawberry jam. Spread the butter onto the bread with a clean knife. Use a clean spoon to put the strawberry jam onto one of the slices of bread. Spread the jam with the knife. Put the slice of bread with no jam on it on top of the slice of bread with jam on it. Press the top slice down onto the bottom slice so they stick together. Put the spoon and the knife in the sink. Enjoy your jam sandwich!
