Write sentences using "the same as."

1. Nami and Ami are both 15 years old.
2. My best friend and I both weigh 70kg.
3. I have black hair. So does my sister.
4. My father and I are both 175cm tall.
5. I'm Tom. My co-worker is also called Tom.
6. Julie and I have the same kind of cell phone.
7. Jim drives a Toyota, just like my Dad.
8. My birthday is on December 25.

Nami is the same age as Ami.
I weigh the same as my best friend.
My hair is the same colour as my sister's.
I am the same height as my father.
My co-worker's name is the same as mine.
We have the same kind of cell phone.
The brand of Jim's car is the same as my dad's car.
My birthday is the same day as Christmas.

How about you? Answers will vary

Think of two of your friends. What is the same about them? What is different?

I have two friends from France, Emile and Josette. Emile is a boy and Josette is a young woman, but their hobbies are the same. They are both keen tennis players.

Would you like to have a twin? Why or why not?

I would like to have a twin, because I would like to know somebody who is just the same as me, but maybe it would be scary to have a twin.

Do people say you look like someone famous? Who?

People say I look like _____ because...

People say I look like William Shakespeare because my haircut and beard are the same as his.
