How about you?

Have you ever had a car or bicycle accident? What happened? **Answers will vary.**
It was in the winter and there was a lot of snow and ice on the road. I was slowly driving down a hill when I hit an icy spot on the road. My car started to skid and do circles down the road. Then I hit the guardrail and made a big dent in my front fender.

Imagine you are James' father. What would you do? **Answers will vary.**
If I was James's father I would make him pay for the repairs to my car and never let him drive it again.
