Has your boss told you to do something recently? What was it?

My boss told me to tell the other staff that we were all going out for supper on Friday evening to celebrate. He told me to tell them to meet at the office and we would go to the restaurant together.

Have you told other people what to do recently? Have you asked someone to do something? What did you say?

I told my son to drive me to the supermarket, as I had a lot of groceries to buy. He then asked me to babysit my grandchildren while they went out for supper, and I told him OK.
