Bill made lots of New Year's resolutions this year.

1. He started to go to the gym twice a week.
2. He started eating healthy food and avoided eating junk food.
3. He began to study Italian.
4. He started to save money every month.
5. He began volunteering at the local Red Cross.

Unfortunately, six months later Bill has broken most of his resolutions. Complete the list below.

1. He stopped **going** to the gym twice a week. Now he only manages **to go** once a week.
2. **He stopped eating health food and now he eats junk food.**
3. **He stopped studying Italian.**
4. **He stopped saving money every month.**
5. **He stopped volunteering at the local Red Cross.** He didn't enjoy **volunteering**.

How about you? Answers will vary.
