A tired teacher wants her students to behave better in class. Use the following words to make some commands she can give to her students.

quiet sit talk don't listen
share clean up turn off write make a line

Listen to me when I am speaking.

Be quiet and sit still. Clean up the mess you made. Talk only in English from now. Listen to the CD and write the answers in your green notebook. Sit in a circle in front of the computer screen. Don't share your answers.

Your turn
