### You try

*Answers will vary.*

*What should you do if you want to get better at English?*

*If you want to get better at English you should visit an English-speaking country for a few weeks every year.*

*Imagine you are visiting a friend's house for the first time. What are two things you should do and two things you shouldn't do?*

*I should bring a small present to thank my friend for letting me into their house. I should also try not to make a mess. If my friend offers me food, I shouldn't take too much, and I shouldn't stay too long.*
