### How about you?

Answers will vary.

*What hobbies do you like to do by yourself? Have you taught yourself to do anything?  
I like to study new languages by myself. I taught myself to read Russian.  
Another hobby of mine is bowling. I taught myself how to get a strike 99% of the time.*

*How do you challenge yourself?  
I challenge myself by setting a personal best, and then trying to beat it.*

*What have you done that made you feel proud of yourself?  
I felt proud of myself when I saved a boy who was struggling in the river. I got a tree branch and held it out for him to grab hold of, and then I pulled him to the bank so he could climb out. I felt proud of myself, but really anyone would have done the same in that situation.*
