Use the following words to write a story about Bill, who goes for a walk in the forest. Use as many as you can.

UFO monster large tree howling wind strange noises
ran away top of the hill back to town big surprise

It was late summer and Bill was walking through Sherwood Forest. He had been thinking about Robin Hood when the wind began to howl. He stopped for shelter behind a big tree. From above him he heard strange noises, like the scraping of nails on a blackboard. He was sure that there was a big bear in the tree. Bill looked up and saw a huge blue glowing object in the sky. He was sure it was a UFO. Bill decided not to wait for the UFO to approach and headed back to town. Once he reached the top of the hill that overlooked the town he got a big surprise. The UFO was hovering over the town and the people were being lifted up into it.
