What do you think? Answers will vary

Should we make children study more in school or let them have more free time to play?

We should let children have more time to play and allow them to be kids.

Should rich people be forced to pay higher taxes?

They should be forced to pay higher taxes because other people allow them to make money.

Should smoking be allowed in public areas?

Smoking should not be allowed in public areas because that forces people to breathe the smoke.
