### What do you think? Answers will vary.

Who is a famous scientist from your country? Why is he or she famous?

A famous scientist from my country is Alexander Graham Bell. He is credited with inventing the telephone.

If scientists invented a medicine that let you live forever, would you take it? Why or why not?

If my body and mind were healthy, I might take the medicine for a while. I don't think I would like to live forever. I don't have enough money and I wouldn't want to go to work every day.

If you were a scientist, what would you invent?

If I were a scientist, I would invent a food replicator. You would be able to tell the machine what you wanted to eat or drink and it would appear instantly.

If you keep studying English, what will you be able to do a year from now?

If I keep studying English, I will be able to talk with people from foreign countries more easily.
