Read the following email from Beth who is visiting London. Answer the questions below by reporting what Beth said.

Hi!

I arrived in London last night. I'm so excited! I've already been to a traditional British pub and tried fish and chips. It was a really friendly place. I'm going to go see Big Ben tomorrow, and Buckingham Palace too if I have time. I'll take one of those big red double-decker buses around the city.

Hope you are well, I'll send you some photos soon.

Cheerio!

Beth
